Dear Mr Fidler,

WORCESTERSHIRE LOCAL TRANSPORT BODY – PRIORITY SCHEMES

I outline below the list of schemes prioritised by the Worcestershire Local Transport Body (LTB) for funding during the 2015/6 to 2018/9 period. The scheme list has been the subject of independent scrutiny and has the full endorsement of the Worcestershire LTB.

The prioritised schemes are:

- Hoobrook Link Road, Kidderminster
- A4440 Worcester Southern Link Road dualling
- Worcestershire Parkway Rail Station

The Worcestershire LTB also wishes to register the Pershore Northern Link Road as a reserve scheme, to be pursued should additional or alternate sources of funding become available.

The programme includes a 30% over programming to ensure delivery during the period, and the Worcestershire LTB will continue to seek additional third party sums to deliver on the overall programme.

Should you have any questions or queries regarding this list please do not hesitate to contact me.

Yours sincerely

Roy Fullee
