**WORCESTERSHIRE COUNTY COUNCIL
HIGHWAYS ACT 1980, SECTION 96A
CONSULTATION ON PROPOSAL TO REMOVE TREE(S)
ON DAVIES ROAD, EVESHAM**

NOTICE is hereby given that Worcestershire County Council has undertaken a consultation pursuant to Section 96A Highways Act 1980 with regard to the proposed removal of trees on Davies Road in the vicinity of the junction with Hawthorn Road as shown on the plan attached.

All representations received in response to the consultation were carefully considered and discussed at a Street Tree Review Panel on Friday 27th September 2024.

It was considered that the engineering works are necessary to provide pedestrians a link to a safer place to cross Davies Road. As the said trees will inhibit those engineering works and with no alternative engineering solutions having been identified that would allow the trees to be retained, the decision was therefore made for the trees to be removed. Tree removal shall be no earlier than 29th October 2024.
