National Productivity Investment Fund

To whom it may concern

29 June 2017

Dear Sirs,

I am writing to you as the Member of Parliament for Bromsgrove, in support of Worcestershire County Council's bid for funding from the National Productivity Investment Fund for a cycling and walking network in the area.

The biggest complaint in my postbag from constituents is about traffic congestion in Bromsgrove, which has increasingly got more challenging over the last few years.

This funding will unlock many benefits for residents across the district by bringing the proposed comprehensive cycling and walking network to the town.

I wholly support Worcestershire County Council's submission to help improve and make safe the roads and footpaths across the constituency, and I hope you will be able to look favourably at this bid which will benefit everyone in the area.

Yours faithfully,

Sajid Javid
